

Limit Exposure Risk & Enhance Convenience

In the workplace of the next normal, strategic deployment of digital technology is critical for optimising daily employee experiences. Using employee-facing digital applications for on-site food orders and contactless payment for on-site retail locations is the smart way to limit infection exposure risks while enhancing personal convenience.

Sodexo offers a variety of scalable apps that can help you make it easier for your employees to take care of business while taking care of themselves. Our apps are user-friendly, can be used on mobile and stationary devices and integrate seamlessly into your workplace culture. Already use retail and services apps? Our experts can help you improve performance to increase employee engagement and satisfaction.
