# Empower Your Residents with a Community Grocery

In the wake of COVID-19, social distancing is critical to protecting the health of your residents. This makes empowering residents to buy everyday grocery staples without leaving the community for non-urgent trips to the store a smart way to reduce exposure risk. Grocery2Go from Sodexo is ready to help. This on-site market allows you to provide convenient access to the essential groceries your community needs along with the amenities and peace of mind your residents desire.

## Convenient On-Site Grocery Shopping

Grocery2Go gives your residents easy access to a wide assortment of fresh quality produce and other goods so they can get what they need to make nutritious, delicious meals at home.

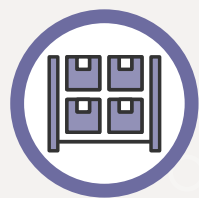

## Enhance Satisfaction & Protection

Grocery2Go improves resident satisfaction with more freedom to cook at home while keeping your community better protected.

## Supplying More Than Groceries

**RESIDENT SATISFACTION**  
Wide Selection of Quality Groceries

**OPTIMIZED**

# Safety. Selection. Social Distancing.

Seniors understand how important social distancing is right now. They know it protects them, their friends, and their families. Leaving the safety of your community to purchase groceries and other goods increases their risk and may produce added stress and anxiety. Grocery2Go on-site shopping ensures resident well-being by supplying grocery essentials and lessening dependency on external trips to the store. It enables them to conveniently cook what makes them happy in a comforting environment.

## Stocking Everyday Essentials

We make sure your residents can always find the essential groceries they use every day.
