# PROGRAM COMPONENTS

## Content and Information

Circles team of experts creates informative articles, checklists, tips & tricks all centered around relevant categories – health & wellness, mental health, home and DIY, volunteerism & more.

## Virtual Events

Circles curated and designed virtual events to keep your employees connected. From virtual yoga to trivia to local museum tours and happy hours, keep your office and remote employees engaged in shared experiences.

## On-Demand Services

24/7 access to concierge specialists to connect you and your family to service providers across a variety of lifestyle categories – grocery/supply ordering, household services, event planning, gift procurement and more.

## Workplace Information

One central place to get all the information about your workplace – back to work guides, safety policies, visitor procedures, parking, space management and much more.

## Community Connection

Connection to local vendors, information, outdoor activities or volunteerism options, Circles can make sure you stay involved and connected with your local community.

## Perks and Discounts

Through Circles platform, you are connected to a wide variety of national partners that provide your employees valuable perks & discounts across a variety of lifestyle categories – travel, home goods, health & wellness, food & beverage, technology, etc.
