

Enhance Personal Safety, User Experiences & Efficiency

Workplaces, accommodations and physical spaces across all types of organisations will require next-generation technology to fully realize the potential of the next normal. To ensure your readiness, you need to develop the right strategy and deploy the right technology for your spaces, people and sustainability goals.

Sodexo Energy & Resources can help you help you design the ideal tech infrastructure and analytics program for the future of your organisation. From Energy management and safety monitoring to user experience and space utilisation, Sodexo's solutions can do it all in ways that will protect the safety, health and wellbeing of your people and the natural environment at the best cost.

Space Utilization

Energy Management

User Experience

Efficiency

Sodexo solutions uses the right technology to create better workplace and user experiences.

Use the right data to make the right decisions.

The technology and advice to transform your workplace.

Your Partner in Preparation

Use innovative technology and powerful analytics to lay the groundwork for a successful return to return to full capacity and further optimization down the line.

Space Utilization

- Sensor solutions to monitor & control physical distancing in all areas of your workplace and accommodation and to provide real-time data to your employees
- Space analytics solutions to help you optimize real estate footprint and indicate to your employees where they can work and be accommodated

Energy Management

- Smart climate and environmental controls
- Real-time monitoring of air quality, temperature, VOCs and more

User Experience

- In-depth user experience assessments
- Touchless technology to reduce infection risks while adding convenience
- Digital solutions for indoor comfort, room booking, service and maintenance request, wayfinding and access to a panel of services during your employees Home to Home journey

Efficiency

- Sustainability benchmarking
- Reduce energy consumption & costs
- Shrink your carbon footprint
