Delivering a Powerfully Effective Clean

Regulation infection prevention and disinfection procedures are essential to reduce exposure for your guests, fans, visitors and employees. Our consultative approach to disinfection cleaning promotes the health and peace of mind of all individuals within your venue.

Your dedicated Sodexo team will help you assess your disinfection needs based on a risk assessment, establishing a frequency of cleaning, complete inspections to report on cleanliness and perform deep cleaning and disinfection for high-risk areas (such as washrooms, receptions, etc). We also help you prevent transmission between employees & guests with the right guidance on Personal Protective Equipment (PPE) and training.
